

Summer windshield washer fluid - concentrate

- Highly efficient concentrate for windshield washer fluid that rapidly and effectively cleans the glass from dirt.
- The fluid features a pleasant aromatic composition that is non-irritating, unlike most fluids on the market.
- Based on demineralized water - ensures the clarity of sprayers and has a neutral pH, preventing corrosion of the vehicle body due to its neutral pH.
- Contains surfactants that effectively remove dirt and insects.

Dosage: from 1L to 5L per 1000L of water, preferably demineralized.
